## Co. example has, from a worldly

point of view, lost nothing by supply-

ing us with these advantages. That

is true but the better bred class of

people find nothing derogatory or

ridiculous in saying "thank you" even

for services which are paid for.

With commendable conservatism the

P. &amp; O. Co. has developed steadily,

feeling its way rather than hazarding

leaps into the unknown. Consequently

it has not had the mortification and

loss that attend ill-judged and in-

sufficiently considered enterprise. A

perusal of the last annual report, por-

tion of which we published yesterday

shows that the company is still intent

upon proceeding in a careful and

painstaking way along the path of

prosperity, leaving nothing to chance

and making due provision against the

possible. Sir Thomas Sutherland in

reviewing the 25 years during which

he has been chairman of directors gave

publication to some highly interesting

figures. The company now receives

about £150,000 less in the shape of

mail subsidy than it did in 1880, yet

the delivery has been accelerated by

between 4 and five days on the

Bombay line and on the Australian

line the time of transmission had been

reduced by no less than eight days.

The company had paid during the

quarter of a century £5,000,000 in

dividends and had placed in reserve

£9,000,000. No less than £12,000,000

had been spent in shipbuilding opera-

tions. Another fact that the vener-

able chairman mentioned with par-

dormable pride was the popularity of

the debenture stock. Bearing 3 1/2 per

cent interest its market value was as

high, if not higher than stock bearing

similar interest issued by the greatest

of the self-governing Colonies. These

are notable facts and facts that not

only the company but Britishers

generally can with propriety hail with

pride.

LOCAL AND COAST NEWS.

The Hui Yuen is not yet to be

merged on the new Board of Education.

Mr. Lefferts Knox, District Manager of

the China Mutual Life Insurance Company,

Ltd., sends us some artistic calendars

issued on behalf of the company.

The British Admiralty intend strong-

cheating the squadron in the Far East by

the cruisers "Duke of Edinburgh" and

"Donegal," and later possibly by the

"Natal."

In Bangkok, where the situation is

complicated by the number of authorities

exercising independent jurisdiction there is

a genuine need of registration of part-

nerships. But, says the Bangkok Times,

there is little chance of any change being

made. The commercial world there would

be fairly content with an improved

bankruptcy law.

Correspondence.

Owing to pressure on our space we

have been compelled to hold over corre-

spondence from "A Lover of His Country,"

and "Free Speech."

The Singapore Murder.

The charge against George Hill of the

murder of the soldier, Private Short, at

Singapore, has been reduced to one of

culpable homicide amounting to murder.

Hill has been committed for trial.

A Supposed Murder.

A case of what appears to be murder

was discovered by the police on the hill-

side about one and a half miles from the

Kowloon City yesterday afternoon. The

discovery of a body was made in a hut on

the hills towards Shatin gap and it appears

to be that of a Chinese priest. From present

indications the priest seems to have met

his death at the hands of one or more

The reason is that the Summer strain is just beginning to tell on us. We need to CLEAR THE SYSTEM OF POISONOUS WASTES, and to stimulate the Liver and Kidneys into action again. IN CHOOSING AN APERIENT we look for certainty of result, gentleness of action, and palatableness.
